Subject: Passaic River Urban Waters Kick-Off Meeting is ON!

Hi All.

Since the government shutdown is now over and I was not selected for a jury during my service over the past couple of days (I'm guessing they didn't want to deal with a pregnant woman who would need regular breaks to eat and use the facilities!), we will go ahead with the tentatively scheduled Passaic River Urban Waters Kick-Off meeting on Tuesday, 10/22, from 9:30-11:30 at EPA's office at 290 Broadway, NY, NY in room 27A.

For those of you that can't make it in person, here is the call-in information:

#: 866-299-3188

Code Not responsive

Since we didn't have time for preparation of a formal presentation, we we will probably keep the meeting a bit more informal. But since the goal is to get the discussion going and to hear all the participants thoughts on ongoing and potential projects within the Passaic River area, I'm hopeful that the meeting will be just as productive as if we had had more time to prepare.

Thanks for your cooperation and patience with this, and I look forward to seeing/hearing you on

Tuesday!
Elizabeth
